### Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

### Tutoring Experience

Over the last 4 years, I've guided over 70 students to exceed their predicted IB scores. My dynamic, interactive teaching approach has not only improved their scores in English, French, and Extended Essay, but also fostered a genuine passion for learning and research.

### Tutoring Approach

I incorporate interactive and diverse teaching strategies to engage my students actively. Recognizing the individuality of each student, I adapt my methods to suit their needs. For language learning, we delve into stimulating dialogues, role-plays, and make use of multimedia resources. When tackling the Extended Essay, we concentrate on developing critical thinking, solid research techniques, and effective communication skills. My goal is to create an online learning environment that is lively, supportive, and encourages a love for learning.
