My expertise includes being an examiner for 11+ GL and CEM, GCSE, IB, and A Level exams. I have successfully prepared students for scholarships at prestigious schools like Wellington College, Marlborough College, and more.

I specialize in Oxbridge and Russell Group university preparation, assisting with personal statement writing and interview practice. Additionally, I am an examiner for IGCSE, IB, and A Level coursework. My online and international tuition experience spans ten years, utilizing platforms like Skype, Meet/G-Drive, and Zoom, supported by a vast library of resources covering all IB and A Level exams.

My areas of specialization are IGCSE, IB, A Level, and 11+/13+ Entrance Exams, including Common Entrance 7/11/13+ Tuition in English Comprehension, Creative Writing, Maths, Verbal and Non-Verbal Reasoning, and Interview Skills. Students have successfully gained entrance to elite schools like ETON, St Paul's Girls School, and King's College School, among others.

I cover a wide range of literature texts for IGCSE and A Level/IB, including works by Shakespeare, classic novels, and diverse poetry collections. My language tuition encompasses textual variations, language diversity, writing skills, and methods of language analysis.

For exams, I am experienced with various boards including AQA, OCR, EDEXCEL, Cambridge International, WJEC, and Eduqas, and teach the IB curriculum in both Language and Literature at Higher and Standard Level.

Should you require tuition in texts not listed, rest assured, I cover a broad spectrum and am adept at tailoring lessons to meet specific needs.

### Tutoring Approach

Tuition is bespoke.

I will meet your child wherever they are at and guide them where they need to go in order to succeed.

Lessons adapt as they develop their skills to make the most of every minute of tuition.

This type of teaching offers undivided attention every step of the way and incredible value for money.

Successful Experience with:

- Prize-winning and Oxbridge candidates: applicable and competition prize winners
- School refusers/excluded children
- Home-Schoolers
- Dyslexia
- Dyspraxia
- ADD and ADHD
- Autistic Spectrum and Aspergers
- EAL

I have helped thousands of students at all stages: from the fiercely bright, to those lacking in confidence - or any interest in learning whatsoever.

I had an exceptional track record to navigate entrance and scholarship exams, IGCSE, A-Level, IB and University applications, as a teacher, tutor, and as a Director of a tuition company, so I know what you're going through and know what works.
