🎓 University of Bologna: Master's in Organic Chemistry

I'm Marco, hailing from Rome, a passionate IB and IGCSE Chemistry tutor. I've dedicated my life to helping students navigate the maze of chemical equations and reactions. Educated at the prestigious University of Bologna, I'm driven by a single mission: to make Chemistry fascinating and attainable for all.

Teaches: Chemistry

Curriculum: GCSE IGCSE IB

Qualifications

University of Bologna: Master's in Organic Chemistry (2009-2014)

International Baccalaureate: IBDP Diploma Examiner (Chemistry HL/SL)

British Council Rome: Advanced Certificate in Educational Mentoring (2016)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past 8 years, I've had the privilege of guiding over 300 students, helping them decode the intricacies of Chemistry. My tenure includes teaching in renowned institutions in Rome, focusing primarily on the IGCSE and IB curriculum. Additionally, I've provided personalized home-tutoring for students seeking clarity in chemical formulas, atomic structures, and bonding mechanisms. With my guidance, many have secured top grades, and more importantly, they've fostered a genuine interest in the subject.

Tutoring Approach

Every student is unique. Thus, my teaching method is customized, taking into account individual strengths and areas needing improvement. I focus on building a strong foundational understanding, ensuring students can approach any chemical problem with confidence. My sessions are interactive, blending traditional teaching with modern techniques such as digital simulations of chemical reactions. My primary goal is not just academic success, but to kindle a passion for Chemistry. For this, I also infuse real-world applications, showing students the marvels of Chemistry in daily life. Whether it's understanding a concept or prepping for exams, I'm here to make the journey insightful and enjoyable.
