Tutoring Experience

I have over a decade experience tutoring students. I've taught in various international schools since 2017, with expertise spanning IB English A as an Examiner, Teacher, and Extended Essay Supervisor. At schools like École Jeannine Manuel, Paris, I've covered IBDP Language and Literature, IBDP Literature, French Baccalaureate (OIB), IGCSE English, and AP English Language.

Previously at St Leonard's College, Melbourne (2019-2021), I taught IBDP Language and Literature, Theory of Knowledge, VCE English, and Journalism. At Albert Park College (2018), I taught VCE English Literature and Middle School English.

I also hold leadership roles like Extended Essay Supervisor.

Tutoring Approach

In tutoring, I focus on making learning personal and engaging by tailoring my approach to fit each student's individual needs and learning preferences.

With over ten years of tutoring experience and a background in teaching at various international schools since 2017, I bring a deep understanding of IB English.

My roles as an Examiner, Teacher, and Extended Essay Supervisor have provided me with valuable insights into the subject. My experience have honed my ability to foster critical thinking and effective communication skills.

Testimonials

"Very quickly we could see how well Victoria was able to engage with, and relate to both boys even though they had quite different personalities and skill levels. Clearly Victoria is a Master of her field and possesses an amazing skill set and an enviable knowledge over the subject matter, but her adaptive teaching style, her warmth and her sense of humour are what has propelled her right to the top of the teaching profession..."
